Additional information regarding attempted service, etc:

I delivered the documents to an individual who refused to give their name who indicated they were the co-resident. The individual tried to refuse service by refusing to take documents and he stated he was a renter and that i can't leave the documents. (documents left, seen by subject). The individual appeared to be a white male contact over 65 years of age. wearing a black beanie with brown eyes. 889BGE in driveway. Subject not at home during attempt. Address confirmed. No name on mailbox. John Doe stated he is a renter and that the subject was not home at this time. I had told him I could leave the documents with someone else that lives here. I let him know that I would place the documents upon the chair at front doorstep. He told me I couldn't leave them there. Dropserved. Placed upon chair with large flat pillow at front door before him. He repeated that I could not leave them there. I left property.
